BLAKE sofa

design **Sebastiano Tosi**

Sculptural and essential, the Blake sofa stands out in the space as a modular composition of pure volumes, balancing architectural geometry and tactile comfort. Modularity is expressed through three combinable seat types, while the multifunctional backrest opens with a flap, revealing an internal storage compartment with an integrated shelf. Natural wood inserts serve as elegant support surfaces. Cushions in three variants and soft, voluminous backrests create a refined monolithic effect that gives the system a sober, contemporary elegance.
