Le novità di Calligaris per la zona giorno reinterpretano il living con un accento contemporaneo. Protagonista è, come sempre, l'area dining, dove i tavoli rinascono in nuove forme scultoree e le sedie si trasformano in poltroncine, segnando un ritrovato piacere nella convivialità. A completare l'ambiente sono le madie, completamente ripensate, un nuovo elemento libreria, ma anche tavolini, specchi e tappeti. Oggetti che rendono speciale lo spazio, dandogli la forma che ciascuno desidera.

The latest additions by Calligaris for living spaces redesigns them with a contemporary twist. The centrepiece is, as always, the dining area, where tables are given new sculptural shapes and chairs are morphed into armchairs, heralding a new-found delight for the social setting. Complementing the room are the fully redesigned sideboards, a new bookcase unit, as well as side tables, mirrors and rugs. Products that add something special to the space, bringing it the shape that everyone craves.

La sedia Glen si caratterizza per il design essenziale. Linee e volumi le conferiscono una forte personalità e creano un equilibrio visivo tra solidità e leggerezza. A partire da una forma geometrica pura nascono il sedile e lo schienale curvo, elemento distintivo del progetto. La sua forma avvolgente dona un'estetica armoniosa alla sedia e offre un sostegno ergonomico, adattandosi alla naturale postura del corpo.

The Glen chair features a minimalist design. Lines and volumes provide it with a bold character and create a visual balance between solidity and lightness. The pure, geometric shape gives rise to a curved seat and backrest, the distinguishing feature of the design. Its wrap-around shape adds a harmonious look to the chair and provides ergonomic support, adapting to the natural posture of the body.

La sedia Onda prende il nome dalla particolare sagomatura del sedile, che con le sue sinuosità ricorda il moto ondoso del mare. Le sue proporzioni morbide sono bilanciate dalle gambe, sottili e in metallo.

The Onda chair takes its name from the unique contour of the seat, whose sinuous lines evoke the wave-like motion of the sea. Its soft proportions are complemented by its slender, metal legs.

Vanilla è una sedia che per proporzioni e comfort ricorda una poltroncina. Ispirata al mondo della moda, è caratterizzata dalle particolari arricciature del tessuto, e dall'elemento orizzontale che cinge lo schienale come una cintura. Sia le gambe in legno sia quelle in metallo ne valorizzano l'innata eleganza.

Vanilla is a chair whose proportions and level of comfort resemble those of a dining armchair. Taking inspiration from the world of fashion, its distinctive feature is the ruched fabric and the horizontal component that girdles the backrest like a belt. Both the wooden and metal legs accentuate its inherent elegance.

La poltrona Holly Fab riprende il segno morbido e le suggestioni anni Cinquanta della sedia Holly e della poltroncina Holly Fab. Elemento caratterizzante della collezione è lo schienale avvolgente che si allunga diventando un bracciolo, ma nella poltrona le proporzioni si fanno ancora più generose, enfatizzando la dimensione del relax. Particolare anche il piedino, che sale nella parte anteriore.

The Holly Fab armchair picks up on soft touches and 1950s influences of the Holly chair and the Holly Fab dining armchair. The distinguishing component in the collection is the wrap-around backrest that flows out to become an armrest but, on the armchair, the proportions take on an even more expansive character, emphasising the dimension of recreation and relaxation. The foot, which rises at the front, is also a distinctive feature.

Un tavolo importante, che nasce per essere protagonista del living contemporaneo. Calla si distingue per il basamento che ricorda un fiore: solido ma allo stesso tempo leggero, è costituito da due lame di metallo che come petali si compenetrano, creando una forma a calice che si apre verso l'alto, e suggerisce vitalità e rinascita.

A prominent table, designed to be the centrepiece in the contemporary living space. Calla features a base that resembles a flower – robust yet light, it consists of two metal blades which, as petals do, interlock, creating a chalice shape that opens out upwards, alluding to vitality and rebirth.

Sandy è una collezione di tavoli caratterizzati dalla gamba a goccia, una sezione dal disegno ricercato che può accogliere diverse geometrie di piani, rettangolari, tondi e ovali, sia fissi che allungabili. Un tavolo dalla presenza forte eppure sobria ed elegante, facile da abbinare a tutte le sedie della collezione Calligaris.

Sandy's extensive range also includes coffee tables and a console table, which still feature the teardrop leg, whose sloping cross-section takes on a striking three-dimensional nature and gives rise to a variety of shapes – from the classic coffee table to the console table with two legs, to the small table with a central pillar, ideal for use alongside a sofa.

Il legno massello è quello ottenuto direttamente dal tronco dell'albero. Il piano del tavolo nasce dall'accostamento di diverse tavole. Le particolarità estetiche come venature, spaccature e nodi sono caratteristiche dell'essenza legnosa utilizzata, mentre le tonalità presenti in ciascuna finitura garantiscono la naturalità del prodotto.

Solid wood is wood that is obtained from the trunk of a tree. The table top was created by combining several boards. Aesthetically pleasing features such as grain, splits and knots are characteristic of the wood species used, while the tones in each finish are a guarantee that the product is entirely natural.

Il tappeto Sky cattura la magia del cielo all'alba e al tramonto, quando i colori si fondono tra loro senza soluzione di continuità. Il suo segreto è la lavorazione: un unico filato intrecciato a diverse densità, per creare un effetto sfumato morbido e naturale.

The Sky rug captures the magic of the sky at dawn and dusk, when colours blend seamlessly together. Its secret is its workmanship – a single yarn woven in varying densities to create a soft, natural nuanced effect.
