CAPSULE COLLECTION FOR FREE SPIRITS

A collection inspired by the natural daily lights and the liveliness of **butterflies**, which brighten the days with their hypnotic flapping of wings.

The collection consists of sofas that will give you moments of **absolute relaxation** after long hours away from home and pamper you on slow Sunday afternoons, without giving up on style.

The names of the sofas derive from different species of diurnal butterflies, and their colors take inspiration from the peculiarities of these **magical creatures**, which find their ideal habitats in sunny places.

The nuances of the line translate into the warm tones of **modern sofas, stylish and with character**, which will light up the walls of the living room or the guests' room.

The sofas are **completely customizable** from the **aesthetic and functional side**, according to the spaces of the house and the personal needs.

They are available in many coatings, colors, vast modularity, and **innovative solutions** that LeComfort has implemented to meet the needs of **modern homes and lifestyles**.

Una collezione ispirata alle luci naturali del giorno e alla vivacità delle **farfalle**, che allietano le giornate con il loro ipnotico batter d'ali.

La collezione è costituita da divani che vi regaleranno attimi di **assoluto relax** dopo lunghe ore fuori casa e vi coccoleranno nei lenti pomeriggi domenicali, senza rinunciare allo stile.

I nomi dei divani sono tratti da diverse specie di farfalle diurne e i loro colori ispirati alle peculiarità di queste **magiche creature** che trovano nei luoghi soleggiati i loro habitat ideali.

Le nuances della linea si traducono nei toni caldi di **divani moderni, stilosi e con carattere**, che accenderanno le pareti del soggiorno o della stanza dedicata agli ospiti.

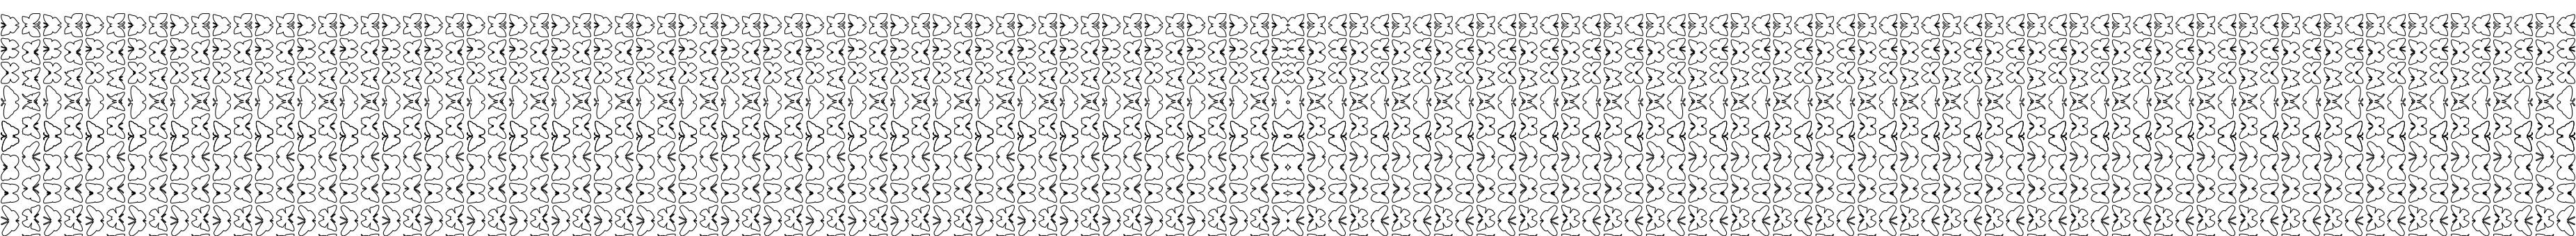

I divani sono **completamente personalizzabili**, sia dal **lato estetico** che da quello **funzionale**, in base agli spazi di casa e alle necessità.

A disposizione, tanti rivestimenti, colori, ampia componibilità e **soluzioni** del tutto **innovative** che LeComfort ha implementato per rispondere alle esigenze di abitazioni e **stili di vita moderni**.
